

Accounting Coordinator

About Us

Founded in 1954 and headquartered in Saint Paul, the Epilepsy Foundation of Minnesota (EFMN) serves Minnesota and portions of Eastern North Dakota.

We are a mission-driven organization working to educate, connect, and empower people about issues surrounding epilepsy and seizures. Our vision is a world in which people living with seizures realize their full potential. In order to make that vision a reality, our dedicated staff provide a wide range of programs and services for people with seizures, their families, and the wider community.

On a practical level, this can mean delivering trainings to teachers and school nurses who have a child with epilepsy in their care; facilitating support groups for adults living with epilepsy; running a summer camp for children who might not otherwise be able to attend one; offering no cost seizure first aid trainings; designing awareness campaigns to educate the general public about epilepsy and fight the stigma surrounding seizures; coordinating events to bring together people impacted by epilepsy; sharing community resources through our Information Services hotline; advocating for those living with epilepsy and so much more. Last year we touched the lives of over 170,000 constituents with our programs, events, and outreach efforts.

EFMN offers a vibrant and team-driven atmosphere with a strong commitment to our community and to our mission. For more information about EFMN, please visit our [website](#), check out our pages on [Facebook](#) and [Linked In](#), or read our [2019 Annual Report](#).
