

To our community:

The Epilepsy Foundation of Minnesota is excited to announce that a \$5,000,000 gift was received in support of Camp Oz and future campers across the state and country.

The Epilepsy Foundation of Minnesota thanks our generous donor who wishes to remain anonymous as well as the integral dedicated community who founded, sustained, and made the experience of Camp Oz what it is today. Thank you.

This year, we are celebrating the 40th anniversary of Camp Oz. Camp Oz has been an example of excellence across the country. Youth experiencing epilepsy and seizures have an opportunity to build friendships and participate in new adventures in a safe and supportive environment.

This is an endowed gift to the foundation which means there is an annual contribution from the investment revenue that helps ensure the future of Camp Oz for families and campers for years to come. This permanent support also means that the Epilepsy Foundation of Minnesota can continue to provide financial support to **ALL** families looking to experience Camp Oz, whether it is a camper's first or ninth year attending camp.

Ensuring our community has access to safe and accessible experiences, communities, and care is part of our mission and we are grateful to you and everyone in our community for making this work possible.

This is a moment to celebrate how far we can go, when we go together.

To learn more about Camp Oz and our camp programs visit efmn.org/camp.

In Gratitude,

Glen Lloyd
Executive Director
Epilepsy Foundation of Minnesota
